PROXY STATEMENT

INTRODUCTION

The Board of Directors (the “Board”) of JetPay Corporation (“JetPay”, the “Company” or “we”) is soliciting proxies to be used at the 2018 Annual Meeting of Stockholders of JetPay to be held on Tuesday, September 11, 2018, at 10 AM, Eastern Time, at the offices of Dechert LLP, 2929 Arch Street, 21st Floor, Philadelphia, PA 19104. JetPay will begin mailing this proxy statement and the enclosed proxy card on or about August 8, 2018 to its stockholders entitled to vote at the Annual Meeting.

The Board is soliciting your proxy to vote on the proposals at the Annual Meeting and to obtain your support for the proposals. You are invited to attend the Annual Meeting and vote your shares directly. If you do not attend, you may vote by proxy, which allows you to direct another person to vote your shares at the Annual Meeting on your behalf, using the accompanying proxy card. **Even if you plan to attend the Annual Meeting, it is a good idea to complete, sign and return the proxy card in case your plans change. You can always vote in person at the Annual Meeting, even if you have already returned the proxy card, by revoking your original proxy card.**

About these Proxy Materials

The Proxy Card. The proxy card permits you to vote by proxy, whether or not you attend the Annual Meeting. When you sign the proxy card, you appoint certain individuals as your representatives at the Annual Meeting (the “proxies”). The proxies will vote your shares of JetPay common stock at the Annual Meeting as you have instructed on the proxy card. If a proposal comes up for a vote that is not on the proxy, and for which the Company did not receive notice of at least 60 days before this proxy solicitation, the proxies will vote your shares as they deem appropriate.

This Proxy Statement. This proxy statement contains important information for you to consider when deciding how to vote on the proposals. Please read it carefully. It is divided into six sections following this Introduction:

JetPay will bear the cost of soliciting proxies for an affirmative vote on the proposals. JetPay will not reimburse any other person or entity for the cost of preparing its own proxy materials or soliciting proxies for any matter. JetPay’s directors, officers and employees may solicit proxies, but will receive no special compensation for any solicitation activities. Proxies may be solicited by mail, in person, by telephone, facsimile or by other means. JetPay will reimburse brokers, nominees, custodians and fiduciaries for their reasonable out-of-pocket expenses in forwarding proxy materials to the beneficial owners of JetPay common stock.

About the Annual Meeting

When And Where. JetPay will hold the Annual Meeting on Tuesday, September 11, 2018, at 10 AM, Eastern Time, at the offices of Dechert LLP, 2929 Arch Street, 21st Floor, Philadelphia, PA 19104.

Record Date. The Board has fixed the close of business on August 3, 2018 as the record date for the Annual Meeting (the “record date”). All stockholders of record at the close of business on the record date are entitled to notice of and are entitled to vote in person or by proxy at the Annual Meeting.

Quorum Requirement. JetPay’s Amended and Restated Bylaws require that a majority of the outstanding shares of JetPay’s capital stock issued and outstanding and entitled to vote be represented at the Annual Meeting, whether in person or by proxy, to constitute a quorum to transact business at the Annual Meeting. Abstentions and broker non-votes will be counted in determining whether there is a quorum present at the Annual Meeting.

The Proposals. Stockholders will vote on the following proposals at the Annual Meeting:

- election of one director; and
- ratification of the appointment of Marcum LLP as JetPay’s independent registered public accounting firm for fiscal year 2018.

Other Matters. No stockholder proposals have been submitted for inclusion in this proxy statement or for consideration at the Annual Meeting. Neither JetPay nor its Board intend to bring any other matter before the Annual Meeting. If other matters requiring the vote of the stockholders properly come before the Annual Meeting, which were omitted from this proxy statement pursuant to Rule 14a-8 or 14a-9 promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), the proxies named in the enclosed proxy card will have discretionary authority to vote the proxies held by them with respect to such matters in accordance with their best judgment on such matters.

Presence of Independent Registered Public Accountants. Representatives of Marcum LLP, JetPay’s independent registered public accounting firm, will be present at the Annual Meeting. The representatives will have the opportunity to make a statement at the Annual Meeting, if they choose, and are expected to be available to respond to appropriate stockholder questions.

The Stockholders. As of the close of business on the record date, there were 15,439,310 shares of JetPay common stock issued and outstanding, excluding treasury shares. In addition, as of the record date, there were 133,333 shares of Series A Convertible Preferred Stock (“Series A Preferred Stock”) outstanding, convertible into 15,999,960 shares of common stock, and 9,000 shares of Series A-1 Convertible Preferred Stock Outstanding (“Series A-1 Preferred Stock”), convertible into 1,038,462 shares of common stock. A complete list of stockholders entitled to vote at the Annual Meeting will be available for inspection by any stockholder, for any purpose relating to the Annual Meeting, for ten days prior to the meeting during ordinary business hours at JetPay’s headquarters located at 7450 Tilghman Street, Allentown, Pennsylvania 18106 or at the offices of Dechert LLP located at 2929 Arch Street, Philadelphia, Pennsylvania 19104.

Voting at the Annual Meeting

You are entitled to one vote for each share of JetPay common stock that you owned of record at the close of business on the record date. In addition, the holders of JetPay’s Series A Preferred Stock and Series A-1 Preferred Stock are entitled to vote with the holders of JetPay’s common stock as a single class. Each holder of shares of the Series A Preferred Stock or Series A-1 Preferred Stock shall be entitled to the number of votes as provided for in the Certificate of Designation applicable to the Series A Preferred Stock or Series A-1 Preferred Stock, as applicable. The presence, in person or by proxy, of the holders of a majority of the shares of capital stock issued and outstanding and entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Abstentions are counted as “shares present” at the meeting for purposes of determining whether a quorum exists. Abstentions have the effect of a vote “against” any matter to which they are specified. Proxies submitted by brokers that do not indicate a vote for some or all of the proposals because the brokers do not have discretionary voting authority and have not received instructions as to how to vote on those proposals (so-called “broker non-votes”) are considered “shares present” at the meeting for purposes of determining whether a quorum exists. Under the rules that govern brokers who are voting

with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, but not on non-routine matters. Broker non-votes will not affect the outcome of the vote on any matter unless the matter requires the affirmative vote of a majority of the outstanding shares and in such case will have the effect of a vote “against” that matter.

No Dissenters’ Rights

The proposed corporate actions on which the stockholders are being asked to vote are not corporate actions for which stockholders of a Delaware corporation have dissenter’s rights under the Delaware General Corporation Law.

Vote Required to Approve Proposals

With respect to Proposal 1, the nominee for director receiving the highest number of affirmative votes at the Annual Meeting shall be elected as a director. Stockholders do not have the right to cumulate their votes in the election of directors. Proposal 2 requires the approval of a majority of all shares of JetPay common stock entitled to vote for such proposal that are represented at the Annual Meeting in person or by proxy. For purposes of determining approval of these proposals, an abstention will have the same legal effect of a vote “against” the proposal and broker non-votes will not affect the results of this vote.

How to Vote Your Shares

You may vote in one of three ways:

- return your completed, signed and dated proxy card before the Annual Meeting;
- via the Internet at <http://www.cstproxy.com>; or
- cast a written ballot in person at the Annual Meeting (you will need a legal proxy from your broker if you hold your shares in street name).

Voting By Proxy. By returning a completed proxy card or voting via the Internet before the Annual Meeting, you will direct the appointed persons (known as “proxies”) to vote your shares at the Annual Meeting in accordance with your instructions. Gregory M. Krzemien, JetPay’s Chief Financial Officer, and Peter B. Davidson, JetPay’s Vice-Chairman and Corporate Secretary, will serve as proxies for the Annual Meeting. If you complete the entire proxy card except for the voting instructions, the proxies will vote your shares (i) **for** the election of the nominated director, and (ii) **for** the ratification of the appointment of Marcum LLP as JetPay’s independent registered public accounting firm for fiscal year 2018. If the nominee for election to the Board is unable to serve, which is not anticipated, then the designated proxies will vote your shares **for** a substitute nominee chosen by the Board. If any other matters properly come before the Annual Meeting, then the designated proxies will vote your shares in their discretion on such matters.

How To Revoke Your Proxy. You may revoke your proxy at any time before it is exercised at the Annual Meeting by any of the following means:

- notifying JetPay’s Corporate Secretary in writing (notice to be sent to JetPay’s executive offices, the address for which is located on the first page of this proxy statement);
- submitting another proxy card with a later date; or
- attending the Annual Meeting and voting by written ballot (mere attendance at the Annual Meeting will not by itself revoke your proxy).

Only the record owner of your shares can vote your shares or revoke a proxy the record owner has given. If your shares are held in street name, you will not be able to revoke the proxy given by the street name holder.

THE PROPOSALS

Proposal 1. Election of Director

Election of one director to the Board for a three-year term and until his successor is duly elected and qualified, subject to his earlier resignation, removal from office or death or incapacity.

Nominee

Bipin C. Shah

The director nominee currently serves on the Board and was nominated for re-election by the Board's nominating committee (the "Nominating Committee"), which nomination was approved by the Board. The nominee has agreed to be nominated to stand for election at the Annual Meeting.

Pursuant to our Amended and Restated Certificate of Incorporation, the number of directors shall be set from time to time by the Board. The number of directors is currently set at eight (including one vacancy left by Jonathan M. Lubert's resignation on January 9, 2018). Our Board, other than the directors appointed by the holders of our shares of Series A Preferred Stock (the "Series A Directors"), is divided into three classes with only one class of directors being elected in each year and each class serving a three-year term. The term of office of the third class of directors, consisting only of Mr. Bipin C. Shah, will expire at the Annual Meeting. The term of office of the first class of directors, consisting of Mr. Robert Frankfurt, will expire at the 2019 annual meeting of stockholders. The term of office of the second class of directors, consisting of Ms. Diane (Vogt) Faro and Mr. Robert Metzger, will expire at the 2020 annual meeting of stockholders. Under the Certificate of Designation for our Series A Preferred Stock, as amended, the term of office for each of our Series A Directors – Messrs. Donald J. Edwards, Steven M. Michienzi and Laurence L. Stone – is until the applicable Series A Director is removed by the holders of the Series A Preferred Stock or until his earlier death, resignation, retirement or disqualification.

Biographical information for the director nominee appears below.

Bipin C. Shah has been the Chairman of the Board since inception and Chief Executive Officer of the Company from inception until May 5, 2016 and is 80 years of age. Since the sale of Genpass, Inc. to U.S. Bancorp in 2005, Mr. Shah has been a private investor, focusing on opportunities in the payments business. From 2000 to 2005, Mr. Shah was the Chief Executive Officer of Genpass, Inc. where he led the development of the MoneyPass, a surcharge-free ATM network, as well as a payroll debit card used by several large payroll companies. From 1992 until its sale to Paymentech in 1996, he was the Chief Executive Officer of Gensar, Inc., a company that specialized in the processing of restaurant debit and credit card transactions. During his tenure at Gensar, Inc., he led development of the "Tip Management System" along with other technology enhancements. From 1980 to 1991, Mr. Shah was employed by CoreStates Financial Corp and its predecessor, Philadelphia National Bank, ultimately serving as Vice Chairman and Chief Operating Officer. While at CoreStates, Mr. Shah oversaw the acquisitions of seven ATM and point of sale businesses and was active in the development of several products for the financial services industry's payments infrastructure, including the Money Access Center network, the introduction of debit to the point-of-sale, cash-back, and pay-at-the-pump. From 1985 to 1992, Mr. Shah served as a director of VISA USA and VISA INTERNATIONAL and currently serves on an advisory board of FinPay, L.L.C. He has served on the Board of Trustees for Baldwin-Wallace College and the Franklin Institute. Earlier in his career, he was a Senior Vice President at the Federal Reserve Bank of Philadelphia and a Senior Vice President at American Express, as well as the President of Vertex Division of MAI. Mr. Shah holds a Bachelor of Arts in Philosophy from Baldwin-Wallace College and a Masters in Philosophy from the University of Pennsylvania. We believe that Mr. Shah's career as an executive in the payment processing industry and as an investor generally provides him with the necessary skills to chair the Board and provide advice to our management team with respect to operational, strategic and management issues as well as general industry trends.

The Board recommends that you vote **FOR** the election of Bipin C. Shah to JetPay's Board.

Biographical information for the current directors not currently standing for re-election appears below.

Since December 2011 until May 5, 2016, Ms. Faro was President of National Benefit Programs, LLC, a provider of brand loyalty and discount programs to small to mid-size businesses. Prior to joining National Benefit Programs, from 2009 to December 2011, Ms. Faro was a consultant for the electronic payments industry focused on assisting companies in growing revenues. From 2005 to 2009, Ms. Faro was President of Global Merchant Services at First Data Corporation, a payment processing company where she was responsible for over \$1 billion in annualized revenues. Ms. Faro is one of the founding members of the Women's Networking in Electronic Transactions (W.net), which offers women in the payments industry a place to network and find mentors. Ms. Faro's extensive experience in the payments industry provides her with the necessary skills to provide the Board and management with valuable insight into marketing and operational issues and lead our management team with respect to operational, strategic and management issues.

Donald J. Edwards has been on the Board since October 11, 2013, when he was appointed by the holders of our Series A Preferred Stock, and is 52 years of age. Mr. Edwards is the Managing Principal of Flexpoint Ford, LLC, a private equity investment firm focused on healthcare and financial services. Mr. Edwards has been with Flexpoint Ford, LLC since 2004. Previously, from 2002 to 2004, Mr. Edwards was President and CEO of Liberte Investors (now First Acceptance Corporation), which he guided through the acquisition of a leading provider of non-standard consumer automobile insurance. Mr. Edwards holds a B.S. degree in finance with highest honors from the University of Illinois and an M.B.A. from Harvard Business School where he was a Baker Scholar. We believe that Mr. Edwards' experience as an executive in a private equity firm focused on the financial services industry and his knowledge of the capital markets generally provide him with the necessary skills to serve as a member of the Board and enable him to provide valuable insight to the Board regarding strategic issues, general investor trends, as well as capital raising matters.

Robert Frankfurt has been on the Board since October 30, 2017, and is 53 years of age. Mr. Frankfurt founded Myca Partners, Inc., an investment advisory services firm ("Myca"), in 2006 to invest in small cap U.S. public and private companies. Prior to forming Myca, Mr. Frankfurt spent more than a decade as a partner and senior portfolio manager at various investment partnerships. Mr. Frankfurt graduated from the Wharton School of Business with a B.S. in Economics and received an MBA from the Anderson Graduate School of Management at UCLA. We believe that Mr. Frankfurt, with a career of over 30 years in assisting senior management and providing board leadership for numerous companies, including NASDAQ-listed companies in the technology and payment processing industry, brings valuable expertise to our organization in the areas of strategic direction, financing strategies, acquisitions, and overall industry expertise.

Robert Metzger has been on the Board since November 20, 2017 when he was appointed to serve as a Class B Director, and is 50 years of age. In addition, he serves as a Lecturer in the Department of Finance at the University of Illinois. Since 2016, Mr. Metzger has served as a senior director at William Blair & Company, an investment bank. Mr. Metzger previously served as partner and managing director at William Blair & Company, where he was head of the Technology group from January 2011 to December 2015 and head of the Financial Services Investment Banking Group from April 2007 to December 2015. Prior to joining William Blair &

Company, Mr. Metzger worked at ABN Amro Incorporated, A.T. Kearney, and Price Waterhouse. Mr. Metzger graduated from the University of Illinois at Urbana-Champaign with a B.S. in Accountancy and received an MBA from the Kellogg School of Management at Northwestern University. We believe that Mr. Metzger, with his extensive and valuable experience of over 25 years in investment banking and academics, including the experiences he gained from his leadership roles on various boards, including companies in the human resources and payment technology space, is of great value in assisting management and the board with strategic direction and increasing stockholder value.

Steven M. Michienzi has been on the Board since October 11, 2013, when he was appointed by the holders of our Series A Preferred Stock, and is 34 years of age. Mr. Michienzi is a Principal of Flexpoint Ford, LLC, where his primary responsibilities include the evaluation and management of investments across the financial services industry. Mr. Michienzi has been with Flexpoint Ford, LLC since 2009. From June 2006 to June 2009, Mr. Michienzi worked in the investment banking division of Wachovia Securities specializing in mergers and acquisitions and capital raising advisory assignments. He previously served as a director of Financial Pacific Holdings, LLC, an equipment leasing company. Mr. Michienzi graduated *magna cum laude* with a B.S. in economics from Duke University where he was elected into Phi Beta Kappa honor society. We believe that Mr. Michienzi's experience as an investment professional at a private equity firm focused on the financial services industry and his knowledge of evaluating and managing investments generally provide him with the necessary skills to serve as a member of the Board and enable him to provide valuable insight to the Board regarding strategic issues, general investor trends, and future acquisition investments.

Laurence L. Stone has been on the Board since October 18, 2016, when he was appointed by the holders of our Series A Preferred Stock, and is 53 years of age. Mr. Stone is the managing member of Sundara Investment Partners, LLC; the sole shareholder of LHLJ, Inc.; and the managing member of Main Line Trading Partners, LLC. Mr. Stone worked for Mercury Payment Systems from June 2006 until its sale to Vantiv, Inc. in 2014, including his roles as a Principal and a Director. Prior to Mercury Payment Systems, Mr. Stone founded and served as an officer of Card Payment Services and Card Payment Systems, Independent Sales Organization merchant processing companies. Mr. Stone served as Chief Executive Officer of Card Payment Systems from 1997 until Concord EFS's acquisition of Card Payment Systems in 2000. Mr. Stone started his payment processing career at CitiCorp Card Acceptance Services in 1988. Mr. Stone serves on the boards of directors of Olivam Partners, LP and Clutch Holdings, Inc. Mr. Stone holds a B.S. degree in Economics from the Wharton School of the University of Pennsylvania in Finance. We believe that Mr. Stone's experience as an executive in the payment processing industry provides him with the necessary skills to serve as a member of the Board and enable him to provide valuable insight to the Board regarding operational, sales and management issues.

Proposal 2. Ratification of Independent Registered Public Accounting Firm

Ratification of the Audit Committee's appointment of Marcum LLP as JetPay's independent registered public accounting firm for fiscal year 2018.

The audit committee of the Board (the "Audit Committee") selects the independent registered public accounting firm to audit JetPay's books of account and other corporate records. The Audit Committee's selection of Marcum LLP to audit JetPay's books of account and other corporate records for 2018 is being submitted to you for ratification. Stockholders are not required to ratify the appointment of Marcum LLP as the Company's independent registered public accounting firm. However, the ratification of Marcum LLP is being submitted as a matter of good corporate practice. If stockholders do not ratify the appointment of Marcum LLP, the adverse vote will be considered a directive to the Audit Committee to select other auditors for the next fiscal year.

The Board recommends that you vote **FOR** the ratification of the appointment of Marcum LLP as JetPay's independent registered public accounting firm for fiscal year 2018.

ABOUT THE BOARD OF DIRECTORS AND EXECUTIVE OFFICERS

About the Board and its Standing Committees

JetPay's Board is currently comprised of seven directors: Donald J. Edwards, Diane (Vogt) Faro, Robert Frankfurt, Robert Metzger, Steven M. Michienzi, Bipin C. Shah and Laurence L. Stone. Bipin C. Shah serves as Chairman of the Board. The Board has one vacancy left by the resignation of Jonathan M. Lubert on January 9, 2018.

The Board has determined that Messrs. Edwards, Frankfurt, Metzger, Michienzi and Stone are independent under the rules and regulations of The NASDAQ Stock Market (the "Independent Directors").

In addition to the Audit Committee, the Board has a standing Nominating Committee and a Compensation Committee. Each of the standing committees of the Board is governed by a charter and such charters are posted on the Company's website at www.jetpay.com.

Board Leadership Structure and Role in Risk Oversight

Ms. Faro serves as the Company's principal executive officer. We do not currently have a lead independent director. The Board has determined that this leadership structure is appropriate as the Board believes that its other structural features, including five independent, non-employee directors on a board currently consisting of seven directors and key committees consisting wholly of independent directors, provide for substantial independent oversight of the Company's management. However, the Board recognizes that depending on future circumstances, other leadership models may become more appropriate. Accordingly, the Board will continue to periodically review its leadership structure.

Risk Oversight

Management is responsible for the day-to-day management of risks faced by our company, while the Board currently has responsibility for the oversight of risk management. In its risk oversight role, the Board seeks to ensure that the risk management processes designed and implemented by management are adequate. The Board also reviews with management our strategic objectives, which may be affected by identified risks, our plans for monitoring and controlling risk, the effectiveness of such plans, appropriate risk tolerance and our disclosure of risk. Our Audit Committee is responsible for periodically reviewing with management and our independent auditors the adequacy and effectiveness of our policies for assessing and managing risk. The other committees of the Board also monitor certain risks related to their respective committee responsibilities. All committees report to the full Board as appropriate, including when a matter rises to the level of a material or enterprise level risk.

Meetings of the Board and its Standing Committees During 2017

JetPay’s Board held thirteen formal meetings and took action by unanimous written consent zero times during 2017. Standing committees of the Board held five formal meetings and took action by unanimous written consents six times during 2017, as set forth on the following chart. All directors attended more than 95% of the aggregate of JetPay’s Board meetings and the meetings of the standing committees of the Board on which they served. The Company does not have a policy with respect to attendance of members of the Board at annual meetings. Six directors attended the 2017 annual meeting of stockholders.

The following chart describes the calendar year 2017 composition and the functions of the standing committees of the Board:

BOARD COMMITTEES			
Committee	Members	No. of Meetings Held and Unanimous Consents in 2017	Functions

Nominating Committee

We have established a Nominating Committee of the Board of Directors, which consists of Messrs. Edwards (Chair) and Frankfurt, each of whom is an independent director under the rules and regulations of The NASDAQ Stock Market. The Nominating Committee operates pursuant to a charter which has been posted on our website and can be found at www.jetpay.com.

The Nominating Committee is responsible for overseeing the selection of persons to be nominated to serve on our Board. The Nominating Committee considers persons identified by its members, management, shareholders, investment bankers and others.

Guidelines for Selecting Director Nominees

The Nominating Committee's guidelines for selecting nominees generally provide that persons to be nominated:

- should have demonstrated notable or significant achievements in business, education or public service;
- should possess the requisite intelligence, education and experience to make a significant contribution to the Board and bring a range of skills, diverse perspectives and backgrounds to the Board's deliberations; and

- should have the highest ethical standards, a strong sense of professionalism and intense dedication to serving the interests of the stockholders.

The Nominating Committee will consider a number of qualifications and factors relating to management and leadership experience, background and integrity and professionalism in evaluating a person's candidacy for membership on the Board. The Nominating Committee may require certain skills or attributes, such as financial or accounting experience, to meet specific Board needs that arise from time to time. The Nominating Committee does not have a policy with regard to consideration of candidates for election to the Board recommended by stockholders and does not distinguish among nominees recommended by stockholders and other persons. The Board believes that the governance and nominating committee charter provides adequate and proper procedures for identifying director nominees and, therefore, it is appropriate not to have such a policy. Stockholders wishing to recommend a nominee for director are to submit such nomination in writing, along with any other supporting materials the stockholder deems appropriate, to the Secretary of the Company, Peter B. Davidson, at the Company's corporate offices at 7450 Tilghman Street, Allentown, Pennsylvania 18106.

Audit Committee

We have established an Audit Committee of the Board. As required by the rules of The NASDAQ Stock Market, each of the members of our Audit Committee is able to read and understand fundamental financial statements. Prior to his death in May 2017, Mr. Robert B. Palmer was the audit committee "financial expert" and was determined to be "financially sophisticated" as defined by the rules of the SEC and The NASDAQ Stock Market, respectively. On October 30, 2017, the Board named Robert Frankfurt as the Chairman of the Audit Committee and as an audit committee "financial expert," and on January 30, 2018, the Board of Directors appointed Robert Metzger to serve on the Audit Committee. Messrs. Frankfurt, Metzger and Michienzi, the current members of the Audit Committee, have extensive financial experience and an understanding of financial statements, generally accepted accounting principles and financial reporting internal controls and procedures. Our Audit Committee operates pursuant to a charter which has been posted on our website and can be found at www.jetpay.com. The Audit Committee's duties, which are specified in the Audit Committee Charter, include:

- reviewing and discussing with management and the independent auditor the annual audited financial statements, and recommending to the full Board whether the audited financial statements should be included in our Form 10-K;
- discussing with management and the independent auditor significant financial reporting issues and judgments made in connection with the preparation of our financial statements;
- discussing with management major risk assessment and risk management policies;
- monitoring the independence of the independent auditor;
- verifying the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law;
- reviewing and approving all related-party transactions;
- inquiring and discussing with management our compliance with applicable laws and regulations;
- pre-approving all audit services and permitted non-audit services to be performed by our independent auditor, including the fees and terms of the services to be performed;
- appointing or replacing the independent auditor;
- determining the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work; and
- establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or reports which raise material issues regarding our financial statements or accounting policies.

The Audit Committee consists of Messrs. Frankfurt, Metzger and Michienzi, each of whom is an independent director under the rules and regulations of The NASDAQ Stock Market.

Audit Committee Report

Management is responsible for the Company's internal controls and the financial reporting process. Marcum LLP, JetPay's independent registered public accounting firm, is responsible for performing an independent audit of JetPay's consolidated financial statements in accordance with auditing standards generally accepted in the United States and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and review all related party transactions. In this context, the Audit Committee has met and held discussions with management and Marcum LLP regarding the Company's audited consolidated financial statements. Management has represented to the Audit Committee that JetPay's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and Marcum LLP. The Audit Committee discussed with Marcum LLP matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees) as adopted by the Public Company Accounting Oversight Board. Marcum LLP also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with Marcum LLP that firm's independence. Based on the Audit Committee's discussion with management and Marcum LLP, and the Audit Committee's review of management's representation and Marcum LLP's report to the Audit Committee, the Audit Committee recommended that the Board include the Company's audited consolidated financial statements in JetPay's Annual Report on Form 10-K for the fiscal year ended December 31, 2017.
